**Teague Hunter of Hunter Realty Associates, Inc., Named One of the
Nation's Leading Dealmakers by *Real Estate Forum***

Hunter Responsible For More Than \$200 Million in Real Estate Transactions YTD 2009

ATLANTA, August 27, 2009—*Real Estate Forum*, one of the industry's leading publications covering the real estate market, named Teague Hunter, CHB, president of Hunter Realty Associates, Inc., one of the Nation's Leading Dealmakers. The honor recognizes Hunter's involvement in nearly \$200 million in hotel and real estate closings in 2008.

“Turbulence in the capital markets hindered sales and leasing activity of properties listed above \$20 million in the past year to year and a half,” said Gregg Christensen, executive publisher, *Real Estate Forum*. “In spite of this fact, a number of brokers have succeeded in completing some impressive deals in this economic down cycle, especially distressed and undervalued properties. Every year since he entered the industry, Hunter has consistently closed a record number of transactions and has truly distinguished himself as a major innovator in the hotel brokerage segment.

“Hotel Brokers International, the industry's professional sales organization, has honored Teague as Salesperson of the Year in three of the past four years and also awarded him the Portfolio Sale of the Year and Unique Deal of the Year awards,” Christensen noted. “Hunter Realty Associates, Inc., which was named Brokerage of the Year by HBI for the past three years, has benefited greatly from his unique perspective and understanding of the hotel real estate industry.”
